Notice

West Island Line Blasting Works (Revised Time for Blasting)

To facilitate the construction works of MTR West Island Line Project, blasting will be carried out once a day between **2:00 pm to 5:00 pm** at the work site of the temporary underground magazine on Victoria Road effective from today to mid May 2010 (except Sundays and public holidays).

Signages displaying the daily blasting schedule will be erected outside the work site. During the blasting works, temporary traffic management will be undertaken near 380 Victoria Road. Blasting works will be carried out under the stringent scrutiny of qualified professionals in compliance with statutory requirements.

We apologize for any inconvenience caused. Should you have any queries, please call MTR Projects Hotline at 2993 3333 or Ms Evan Hung, Community Liaison Officer at 2993 3634.

Yours sincerely
